

# Corporate Catering Packages & Pricing

Designed for fast paced corporate events where service needs to be seamless and strategic that's why companies choose CarmEli Catering.

- Our generous handmade finger foods and canapés are made traditionally from scratch, supporting local producers.
- Our portions are generous and thoughtfully designed so guests leave satisfied.
- We give you the flexibility to choose any items from our menus, from casual favourites to premium finger foods and canapés and custom menu items to enhance corporate branding or event themes.
- Dietary requirements are always covered at no additional cost.

**All package prices include staff and GST. Our packages can be tailored to suit your budget, if you're happy to share it with us.**

## Custom Corporate Catering

If you can't find exactly what you're looking for in the packages above, we're here to design a custom food and beverage experience around your event budget and needs.

We regularly create tailored menus for corporate clients, from specific food concepts to branded ideas designed to showcase your company and what you want your event to represent.

This flexibility allows us to build catering experiences that feel unique to each event.
